

Call for papers

Entrepreneurship education and research

retp

The Review of Economic Theory and Policy welcomes submissions for a special issue dedicated to advancing the discourse on Entrepreneurship Education and Research. This call seeks to attract high-quality research papers that contribute significantly to the academic understanding and practical implications of entrepreneurship education and related research domains.

Authors are invited to customize their paper submissions to align with our keen interest in attracting expertise within the following research areas:

Pedagogical Advances in Entrepreneurship Education

- Innovative teaching methodologies for nurturing entrepreneurial competencies
- Assessment of the effectiveness of experiential learning in entrepreneurship programs
- In-depth analyses of case studies and best practices in entrepreneurship education

Entrepreneurial Ecosystems and Impactful Research

- Investigating the influence of entrepreneurship education on local economic development
- Examining collaborations among academia, industry, and government for entrepreneurial growth
- Evaluating the impact of regional policies on fostering entrepreneurial ecosystems

Technological Frontiers in Entrepreneurship

- The transformative role of technology in shaping entrepreneurial ventures
- Exploring the intersection of entrepreneurship and emerging technologies such as AI, blockchain, etc.
- Case studies highlighting the impact of technology and innovation in entrepreneurship

Social Entrepreneurship and Sustainable Development

- Integrating compliance into entrepreneurship education curricula
- Empirical studies on the contribution of social entrepreneurship to sustainable development
- Analyzing challenges and opportunities in teaching social entrepreneurship

Deadlines

Manuscript Submission Deadline

15 June, 2024

Peer Review Process Completion

August, 2024

Expected Publication

September, 2024

Submission

Authors are invited to submit original research papers adhering to the journal's guidelines. Submissions should represent novel contributions to the field, be methodologically rigorous, and not exceed 8,000 words. All submitted papers will undergo a thorough peer-review process.

Accepted papers will be published in a special issue of Review of Economic Theory and Policy, dedicated to Entrepreneurship Education and Research.

For detailed submission instructions and guidelines, please visit the journal's submission portal [via this link](#).

Should additional information be required, please do not hesitate to contact us at the following email address: journal@retp.eu.

We eagerly anticipate the submission of your insightful contributions to enrich the scholarly dialogue on entrepreneurship education and research.

Sincerely,

Tamás Pesuth, PhD
Editor
